

Results from Legends Australia Darts Championships

This year has seen the biggest Championships ever. It would be an impossible job to thank everyone who participated in the challenge to make the Victorian Championships what they were. Please accept a heart felt thank you to all Victorian Legends who put in enormous amounts of their own time and effort.

Also, to Ronda and Pat , a wonderful job. These two ladies never cease to amaze me. The work that is done by them both, before, during, and after the Championships is enormous. If it weren't for Ronda and Pat, I feel the Championships would not run as smoothly as they do.

Ronda and Pat, thank you, and see you both in Gosford in October 2007.

Over the passed week results have been getting sent to the Legends Australia site. I can now give you all the results.
